Dear Sir,

1st European Deaf Mountain Bike Championship 2008 Verona , Italy

Dear President

In the recent Executive Committee Meeting in Manchester, after long discussions, regarding to European Deaf Cycling Championship, the Executive Committee had decide that the 1st European Deaf Mountain Bike (MTB) is to be official instead of demonstration.

We wish the Italian organising committee every success in the preparation for the events.

Just to let you know that Mr W. Sandugei will be EDSO Official instead of Mr V. Rukledev and Mr P. Goffried is the EDSO Cycling Technical officer.

Please not hesitate to tell to them if you have questions or other.

Good Luck

Best regards,

Isabelle Malaurie
